JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

iron or other impervious material draining into a sewer, vault, or other suitable place.

**RULE 28.** Health officers shall enforce these rules and promptly enter prosecution for any violation thereof.

**Visiting Nurses—Counties Authorized to Employ. (Chap. 93, Act Apr. 24, 1913.)**

**SECTION 1.** There is added to the statutes a new section, to read :

“**SEC. 697–10m.** The board of supervisors of any county is authorized and empowered to employ a graduate trained nurse, whose duties shall be as follows: To act as a consulting expert on hygiene for all schools not already having medical inspection, either by physician or visiting nurse, to assist the superintendents of the poor in their care of the poor in the county who are in need of her services; to give instruction to tuberculosis patients and others relative to hygienic measures to be observed in preventing the spread of tuberculosis; to aid in making a report of existing cases of tuberculosis; to act as visiting nurse throughout the county and to perform such other duties as a nurse and hygienic expert as may be assigned to her by the county board. Such visiting nurse shall at the end of each month make a report in writing to the county clerk, which report shall show the visits made during the month then ending and the requests made to her for services, and such other information as the county board may from time to time require.”

**Visiting Nurses—Cities Authorized to Employ. (Chap. 194, Act May 9, 1913.)**

**SECTION 1:** There is added to the statutes a new section, to read :

“**SEC. 1416–13a.** The common council of any city, whether incorporated under general or special charter, shall have power to employ obstetrical and visiting nurses.”

**Embalmers—Examination and Licensing of. (Chap. 51, Act Apr. 7, 1913.)**

**SECTION 1.** Section 1409–1 of the statutes is amended to read :

“**SEC. 1409–1.** The State board of health is hereby authorized and empowered to determine the qualifications necessary to enable any person to properly embalm dead human bodies and disinfect the premises. The said board, or some member thereof, shall examine all applicants for an embalmer's license and shall issue an embalmer's license to all persons who successfully pass such examination. No person shall embalm any dead human body unless he or she shall hold a valid, unrevoked, and unexpired license from the Wisconsin State Board of Health authorizing him to practice the art of embalming. It shall be unlawful for any person not a licensed embalmer as herein provided to advertise, practice, or pretend to practice the art of embalming by either arterial or cavity treatment.”

**Pharmaceutical Experiment Station—Establishment of. (Chap. 404, Act June 5, 1913.)**

**SECTION 1.** There is added to the statutes a new section, and to section 172–53, a new subsection of the statutes, to read :

“**SEC. 3923m–12.** The board of regents of the State university are authorized and directed to establish, equip, and maintain in the department of pharmacy of the State university a pharmaceutical experiment station. The duties of the said station shall be :

“(1) To cooperate with the bureau of plant industry of the department of agriculture in the maintenance of the northern station for the cultivation of medicinal plants and to disseminate such information as may lead to the proper
